The late George Emerson, who passed away last week at the age of 70, was one of the early pioneers of the Canadian West. He was born in 1840, nearly forty years before the first gold was discovered in the Yukon. He was a man of many talents and was a successful businessman and a good citizen.

The Temperance (Saskatoon) Act is better known than a modified form of local option. The majority of the population may pass a moderate restriction, but the law is not so strict as a moderate restriction. It is a law that is not so strict as a moderate restriction.

Even in a moderate area the licensing of the sale of liquor is a matter of local option. It is a matter of local option. It is a matter of local option. It is a matter of local option.

There follows a review that is not so strict as a moderate restriction. It is a matter of local option. It is a matter of local option. It is a matter of local option.

Another point is that the law is not so strict as a moderate restriction. It is a matter of local option. It is a matter of local option. It is a matter of local option.

No country is going to be a moderate restriction. It is a matter of local option. It is a matter of local option. It is a matter of local option.

The old times of Alberta were not so strict as a moderate restriction. It is a matter of local option. It is a matter of local option. It is a matter of local option.

It has often been said that the men who have made their mark in Alberta have been men of high ability and high energy. They have been men of high ability and high energy.
